Distribution Pallet

Safe • Strong • Durable

Ideal for general industry, grocery, warehousing and closed loop systems

Features

- Heavy duty nestable nine-legged pallet with anti-slip deck surface
- Compression molded from 100% post-industrial recycled materials for low cost and durability
- Ideal for general industry, grocery, warehousing and closed loop systems where heavier loads are used in unsupported racking
- Applications include distribution, warehouse/storage and work in process
- Optional molded in logo

40" x 48" Distribution Pallet
